## DIRECTORY OF STAMP CLUBS ..... IN THE UNITED STATES

With the thought of again rendering a service to Collectors, LINPRINT INC., have prepared a pocket-size directory of some 175 Stamp Clubs throughout the United States. Full information as to the Secretary's name, address, phone number, dates and place of meetings of the Clubs and in many cases the name of a member who will be pleased to welcome you to the City is given in this directory.

If you are planning a vacation trip, if you are regularly on the road, or if you take short week-end jaunts over the country, you will want one of these directories to carry with you at all times. The price is nominal and we have no doubt that the collectors will agree that it is well worth the price.

Single copies mailed postpaid to you at ..... 15c each  
To Clubs in lots of 10 or more postpaid ..... 10c each

This Directory is not a make-shift affair, but an accurate and up-to-date listing of each Club. In no instance did we guess at information, or list any Club on which we did not have complete and accurate information.

Remember that this is just one of the several items we have in mind for the betterment of Stamp Collecting and the promotion of acquaintanceship among Collectors.

# Heard and Seen in Washington

By W. C. RICE

**OFFICIAL** announcement was made that Washington, D. C., is to have the sole first day of sale of the Susan B. Anthony commemorative. The date of issue remains unchanged at August 26, 1936. The new stamp will be of the three-cent denomination, probably printed in the usual purple ink, but there seems to be some reason to believe that a smaller size stamp may result from the present plans.

The Army-Navy Hero series has met with some apparently unavoidable delays, and as yet no official date for the first pair of stamps has been announced. Post Office department officials seemed reluctant to hazard even a guess as to the approximate date, although it seemed generally believed that the series would not start before the first of September from present status of the designs.

The following are the official figures given for the Oregon first day sales and number of covers mailed:

July 14	Covers mailed	Stamps sold	Money
Astoria, Ore. ....	91,110	146,516	\$ 4,395.48
Daniel, Wyo. ....	67,013	104,049	3,121.47
Lewiston, Ida. ....	86,100	179,733	5,891.99
Missoula, Mont. ....	59,883	114,000	3,420.00
Walla Walla, Wash. ....	106,150	252,350	7,570.50
<b>Total</b> .....	<b>410,256</b>	<b>796,648</b>	<b>\$23,899.44</b>
<b>July 15</b>			
Washington, D. C.			
Wash. City P. O. ....	14,516	65,000	\$ 1,950.00
Philatelic Agency .....	301,988		9,058.14

The above figures, when totaled, show that on the two days of sale, there were sold 1,163,586 stamps, with a face value of \$34,907.58.

## PHILIPPINE NEWS

Letters from the office of the Philippine Trade Commission advise patrons that the printing of the Rizal stamps is proceeding slowly, and also mention that the Island office ran out of ink for one value. It seems hard to believe that an office engaged in the production of stamps would run out of ink. However, that seems to be the case, and the letters also advise patrons that they may have their money on deposit to pay for these stamps refunded, if they don't want to wait until the supply is received from the Philippines. It is scarcely likely that many collectors will ask for refunds, as such long-drawn-out affairs tend to make the stamps more popular, and make collectors more eager to get them in the hope that they will prove good investments.

## SURPLUS PROPERTY SALE No. 257

The above heading seems like it might be decidedly inappropriate for the heading of a paragraph in a stamp column. BUT, that is the heading of a release from the Procurement Division, Branch of Supply, Federal Warehouse, Washington, D. C., inviting sealed bids for the purchase and removal of the Tax EXEMPT potato stamps, series 1935, Dept. of Agriculture, obsolete. These stamps are not to be confused with the Potato Tax stamps which were on sale at the Bureau of Internal Revenue at face value until June 30, as these Tax Exempt stamps have no actual face value, rather are given in terms of pounds only.

They are listed in six lots to be sold to the highest bidder, as follows:

	Denomination	No. of books	No. of stamps per book	Total No. of stamps
1.	2-lb.	2500	24	60,000
2.	5-lb.	1000	24	24,000
3.	10-lb.	500	24	12,000
4.	25-lb.	200	24	4,800
5.	50-lb.	100	24	2,400
6.	100-lb.	50	24	1,200

The invitation states that the material is offered "as is" and "if is" without recourse, that the description furnished is based on the best available information but that *no guarantee* is given as to the exact quantity, condition, size, weight, or description.

One of the interesting features of this proposed sale is that the stamps are to be sold in six lots, a single denomination to each lot. One would say offhand, that the successful bidder would have a monopoly on that particular value, and that any collector desiring to purchase such stamps in the future would be forced to pay whatever the successful bidder chose to ask. If this sale is allowed to go through, although the stamps of a tax exempt status might be classed more or less as labels, it would be only a short step for further sales of obsolete remainders of revenue stamps, and if they went at prices scandalously below present market quotations, what would happen to the value of items reposing in the albums of collectors specializing in the revenue stamps. So great was the disturbance created in Washington among collectors of all classes of stamps, that the three largest adult Societies of the District, all passed resolutions addressing letters to the Secretary of the Treasury protesting the completion of this sale. The Collectors Club of Washington and the Washington Air Mail Society unanimously favored the protest, the action taken by the Washington Philatelic Society was through the Board of Governors.

Unless collectors wish to chance future sales of remainders of stamps of the revenue types, similar to this sale of the more or less label type of Tax Exempt stamp, it seems that all collectors and societies should immediately communicate with the Secretary of the Treasury explaining why philatelists of this country are opposed to such procedure.

## Blames Collectors

Of late the stamp collecting public has been misled to believe P. M. Farley responsible for the flood of new issues of recent years.

As Al Smith would say, "Let us look at the record."

The Farley Follies were the result of the so styled big shots of Philately clamoring for them and finally succeeding in having them issued. The average collector will not tolerate one straight edge, but will pay a big premium for four of them.

All of our so-called souvenir sheets were requested by either Stamp Clubs, Federations, national, central or otherwise. Now the same bunch of "uplifters of Philatelic Moral" is requesting a popular vote on whether you want a new issue of stamps or not. After voting no, they all parade in corpore to the nearest post office and buy full sheets, plate number blox, line pairs, arrows, short and long lines, etc.

All this of course for resale at an expected big profit.

SPENCER ANDERSON

Of all agency sales fully 90% are to collectors, who in a few years will realize their mistake and start unloading about the time their present day new Model Ford begins to back fire.

A trip to the nearest dealer with 5 or 10 sheets sold at 10% off face will pay for a new tire or correct the above trouble on the family car.

Protesting against issuing too many new stamps in short order, at the same time requesting a Philatelic window in every post office seems to me somewhat inconsistent if not ridiculous.

V. J. Molitor, Chicago, Ill.

## Naribo Sales Cabinet

The Thorp & Martin Company, publishers of the Naribo sectional albums, have prepared an attractive counter cabinet for dealers handling their pages. The cabinet has sales display on the inside of the lid which is exposed while the cabinet is on the counter. The cabinet has index cards to separate the different units and makes selling and handling the page sections a very simple matter.

Dealers who have not yet seen this new outfit can get information from the publishers.

## Philatelic Chautauqua

The Chautauquan Daily published at Chatauqua, N. Y., carries an announcement of a special Philatelic Day to be held at the Hotel Athenaeum on August 12th.

Both stamp and coin collectors are invited and these two hobbies will be under the able management of Roscoe B. Martin and James T. Clarke.

## A Busy Summer Season

Robert Herdelin of Philadelphia says that with the constant stream of new issues, the coming British Coronation and new Edward issues, Scott's Catalogue, the Army-Navy stamps, and the Susan B. Anthony stamp and of course he mentions his Kodapak envelopes, that any stamp dealer who is not busy must be just too lazy to work.

## Hellgate Stamp Society

It is not in New York, but away out in Missoula, Montana, one of the cities brought to the attention of stamp collectors as a first day city for the new Oregon stamp.

T. J. Vogel tells of the formation of a stamp society by the above name with a membership of 35 senior collectors. Doubtless the interest aroused by the issue of the Oregon stamp in this city has been greatly responsible for the organization of this new club.

## NAVAL CANCELS AND CACHETS

By Marshall R. Hall, ANCS 10  
1767 Bedford Road, Columbus, O.

Conducted under auspices of American Naval Cancellation Society and news is welcome from all sources. Code symbols for ANCS members' guidance. **UNLESS OTHERWISE SPECIFIED ALL EVENTS REQUIRE 1 CENT A COVER FORWARDING POSTAGE.** Address all news and inquiries to Mr. Hall and NOT to this magazine.

Theodore Harrington, 3162 South Hanson avenue, Milwaukee, Wisconsin, is putting out a series of birth-day anniversary covers which eventually will include every ship in the fleet. The best way to cover these is to keep 10 covers at a time with Ted, and send a postcard with them so he can notify you when your covers are out. (A-D-H-O-Some V)

The USS Phelps is one of our brand new ships and is barely able to say it has felt the surge of salt water, but on board it has an accommodating mail clerk and ANCS member who will be glad to give you nice cancels if you send not more than three covers to him. Address him J. Boniewski, NMC, USS Phelps, care postmaster, New York, N. Y. (B-E)

A cachet depicting the USS Umpqua, AT-25, has been prepared for R. M. Delf, mail orderly, and he will cachet covers for you any time you ask him if you do not send a bundle of them. This is a Richell-designed cachet and is appropriate. Address Delf on the ship at Navy Yard, Charleston, S. C. (A-B-E-L-N-O-T)

USS Vega has sailed for Pribilof Islands and will fetch back skins of

seals killed under auspices of the bureau of fisheries. Here is a chance for nice cancels and you may get them by rushing covers to the ship's mail clerk, care postmaster, Seattle, Wash. (F)

The USS Chaumont is at the Navy Yard, Portsmouth, Va., undergoing overhaul and will be there until Sept. 22, when she will start on her regular long cruise to the Orient. For unusually nice covers and cancels, send to Andrew J. Harvath on the ship. He is an ANCS member and certainly knows how to turn out swell covers. (A-B-T)

The USS Nitro is making some up-and-down coast movements in the west and is cancelling at the various points of call, all the way from Guantanamo Bay on the east, to Puget Sound in the northwest. Send not more than 5 covers to the mail clerk, care postmaster, San Francisco, California. (F)

Here is one to rush covers for. The USS Ramapo is making a fast run to the Orient and back, having just left San Pedro for the Asiatic Fleet, and scheduled to return on Oct. 1. Rush about 6 covers and ask the mail clerk to cancel one at a time in foreign ports. (F)

If you will send six covers quickly to the mail clerk, USS Quincy, care postmaster, New York, N. Y., you can still get some of the foreign ports it will touch on its shakedown, which is now under way and will last until Sept. 19. More on this ship's autumn movements will be given later. (B-F)

Various of our ships are undergoing repairs in different ports and for the benefit of collectors who want to get in contact with them, I give some of their overhaul addresses herewith, and you may send covers to the mail clerks at the address given and so they will arrive about the date given: USS Northampton, Navy Yard, Bremerton, Wash., Aug. 10; Pelican, Pearl

A Few Minutes with the Editor

## THE OREGON STAMP

This new stamp is interesting because of the fact that it is the second map stamp that has been issued by the United States. The first map stamp being the 10c brown of the Louisiana Purchase issue and this earlier stamp is by far a better appearing stamp than the Oregon issue.

The original map stamp shows the map standing out clearly on the stamp while this Oregon issue has been engraved in such a manner that the map is indistinct and does not stand out prominently as it would have done if there had been more contrast in the engraving.

The addition of the small pictures at either side of the stamp do not add to its attractiveness for both views are so small that they can only be seen clearly with a magnifying glass and the general public does not scan its stamps with such instruments.

Too many of our recent issues have been ruined by the inclusion of too much superfluous scenery and what not.

Either the map alone, engraved to stand out prominently or either of the views at the sides of the stamp in enlarged form would have produced a far more attractive stamp.

We do not dispute the ability of the engravers who do the stamps, the

fault must lie with the person who approves or selects the designs.

Vancouver, Washington, appealed for first day issue and was refused, yet W. P. Campbell, Stamp Columnist of the Vancouver Columbian, obtained a supply and put through a quantity of covers from that city.

A cover also comes from W. H. Latta. This was mailed at Spalding, Idaho, site of the old Spalding Mission, a historic spot in the old Oregon Territory.

Covers are also at hand from the other regularly announced first day cities.

## WHERE IGNORANCE IS BLISS

That fools step in where angels fear to tread is amply proven to anyone who has received a copy of the August issue of Hobbies. Certainly Mr. Lightner has exposed his lack of Philatelic knowledge or Philatelic Law by reproducing in colors sixteen different foreign stamps on the front cover of this issue of his magazine.

The law as regards the illustration of postage stamps states that the prints must be in black. Certainly Mr. Lightner did not intentionally throw dust in the face of the Post Office Department by this gesture, yet the fact remains that we know of numerous instances where stamp people have been reprimanded for printing stamps in color.

## THE HEAT WAVE

The middle of July was a very unpleasant one for folks in Central Ohio. The heat was the most terrific and most prolonged in the records of the local weather bureau and as for the force at our office, we all felt better by doing as little as was necessary to keep the business moving, although we were obliged to keep busy right through the month due to the heavy demand for our products.

The cooler weather now with us is quite pleasing and with such weather one can again buckle down to business and we hope that all matters which have been put aside in the past will soon be cleared up.

The original announcement regarding this set of stamps stated that the one cent values for the two sets would be issued about August 1st and the other values would follow in pairs about the first of each succeeding month.

## Foreign Air Mail

BY W. C. RICE

The Post Office Department has announced that, through the use of speedier planes, faster air mail service will be maintained between the United States and Central and South America, effective at once.

Under new foreign air mail schedules, flights will be made from Miami, Florida, to Barranquilla, Colombia, in 9¾ hours by way of Havana, Cuba, and Kingston, Jamaica, and from Miami through to the Canal Zone in 24½ hours. The mails will also be transported from Miami to Buenos Aires, Argentina, in approximately 4½ days.

Service from the United States to Rio de Janeiro, Brazil, by way of the East Coast of South America is being increased from once a week to twice a week and flights will be made between Miami and Rio de Janeiro in 5 days, with one of the Northbound flights being made in 4 days. Arrangements have also been made for air mail service from Arica, Chile, on present route nine to La Paz, Bolivia.

Close connection is made by these United States foreign air mail routes with the domestic air mail routes in Colombia for points in the interior of that country and with the domestic air mail system in Honduras.

With this expedited service and the fast service on the domestic air mail routes, in this country connecting at Miami, Florida, and Brownsville, Texas, a highly efficient air mail service will be maintained for the exchange of air mail correspondence with Mexico and all countries of Central and South America and the West Indies.

## Airmail Cover News

C. A. Hunter, Syracuse, Nebraska

Information, as well as inquiries for this department should be addressed as above.

Again the United States has issued a map stamp, this time commemorating the Oregon territory. Five different towns figured in the first day of this stamp and all have some historical connection. There is a wealth of history connected with the old Oregon trail and claims are laid by many towns to having it go through them. However, it is doubtful as to whether many who went on that first trip to Oregon in 1836 could give an exact routing of their journey from only land marks. When Nebraska became a territory in 1856, many trails led across the state, one entering at Omaha, one at Brownville, one at Plattsmouth and one at Nebraska City. One of the trails joining the Oregon trail left Nebraska City and traversed to Kearney. Syracuse, the town of your editor's domicile, was the first night stop. So, the Oregon trail has a peculiar significance to us.

Covers received come from every town on the first day list and we thank Alvin H. Anderson for one.

Another July 4th cover arrived from Hawaii mailed aboard the USS Portland. Thanks to Philip Akeo.

Co-ops: Alvin H. Anderson, news clippings, W. S. C., Rex Copp, and others.

## 200th Anniversary Cachet

Commemorating something 200 years old certainly ought to be of enough historical interest to rate a cachet and it so happens that the Virginia Gazette of Williamsburg, Va., will celebrate its 200th birthday on August 7th.

The Virginia Gazette is one of the oldest established newspapers in America and holds the honor of being the first newspaper to print in full the Declaration of Independence.

A cachet celebrating its birthday will be applied to covers on August 7th. Send them direct to the Gazette, ready to mail.

## A Visit to Buckey's

Stamp collectors of Dayton, Ohio, and vicinity are indeed fortunate in having as nice a stamp store to patronize, as that of Mr. Buckey. We recently paid a visit to him and were favorably impressed with the systematic arrangement of the stock, the large line of albums and accessories carried and the general lay-out of the entire floor space. Two large well lighted rooms on the second floor of the Ludlow Bldg., in the heart of Dayton's business district is the location of this store. Mr. Buckey carries LINPRINT PRODUCTS and collectors in that territory are invited to drop in and see our line at Mr. Buckey's.

A FORECAST AND RECORD

## Swift to Report → Straight to Record

Send all information regarding new issues direct to the editor of this Department, address below.  
Stamps submitted for examination and listing will be returned promptly.

RAY SHEPARD, . . . 1529 DUXBERRY AVE., . . . COLUMBUS, OHIO

**ARGENTINE REPUBLIC**—According to word just received from Mr. H. G. Spanton, it appears that the 1 Peso "Map" stamp issued January 1st., not only offended Great Britain, but also Chile. A portion of the territory shown appears to be colored as that belonging to Argentine, but which in fact is part of Chile. Argentine admits that it was solely a printing fault and we understand that the stamps now unsold will be replaced by an altered design correcting this fault. This re-engraved design should appear in the near future.

**AUSTRALIA**—The South Australian Centenary were due for issue in July. The values are 2p. and 3p. The design will show the original camp on the left; modern Adelaide on the right and a bunch of fruit and the "Proclamation Tree" in the center. It is also rumored that there will be an entirely new general issue, which will show King Edward VIII on the 1p., 2p. and 3p. values. Also 1938 will see the 150th Anniversary of the first settlement of Australia and this most certainly will be the occasion for a special series.

(Gibbons' Stamp Monthly)

**AUSTRIA**—It appears that we were in error in noting in the issue of May 30th., that the Mother's Day stamp was a semi-postal. There was no surtax on this of 24g., as we chronicled, according to Scott's latest Monthly Journal. Gibbons' Stamp Monthly states that this stamp was sold out within ten days of issue. They also advise that on June 24th, there appeared a new 10sh., high value, bearing the portrait of Chancellor Dollfuß.

**BELGIAN EAST AFRICA**—A new stamp will be issued shortly showing a portrait of the late Queen Astrid when she last visited the Congo, around her are to be shown five native children. The denomination will be 1.25fr. plus 5c., the surtax going to the benefit of child welfare.

**CUBA**—The latest issue of Scott's Monthly Journal, states that they will probably do nothing more than "tentative list" the Free Port of Matanzas issue. Gibbons' latest supplement to their catalog gives regular catalog numbers to the perforated set and also carries a foot-note to the effect that they were all issued imperforate and can be supplied at 30 shillings per set.

**DANZIG**—125th Anniversary of the plague of Broosen. Large format, 4x26mm., perf. 14. Higher value is upright, while the other two are horizontal:

10p. green  
25p. red  
40p. blue

(R. Roberts)

Gibbons' Stamp Monthly states that only 100,000 sets were to be issued of the above.

**GERMANY**—Sweepstake Prize Stamp. What next? Germany has provided the latest innovation for an excuse to issue a postage stamp. The undernoted has been issued to provide a 100,000 Mark sweepstake prize for the Braunes Band von Deutschland (horse race). It is a handsome stamp printed in the center of a sheet of paper measuring 15cm x 10cm, the stamp itself measures 32½x27¼mm. The paper is watermarked "MÜNCHEN-RIEM 1936" in margin, with swastika design covering the stamp only. The design depicts a close finish of three horses, the first two neck and neck and the third three-quarters of a length behind. The stamp was sold at a premium of 1.50M. above the value noted below. It is supposed that a limited number were issued:

42pf. brown

(R. Roberts)

**PANAMA**—A complete new set of both Ordinary and Air Post stamps will be issued in connection with the forthcoming Postal Congress and the following will be the denominations: Ordinary: ½, 1, 2, 5, 10, 15, 20, 25, 50 centesimos and 1 balboa. Air Post: 5, 10, 20, 30, 50 centesimos and 1 balboa.

(Whitfield, King & Co.)

**PAPUA**—A Coronation set is rumored, the design for which is likely to be that prepared for King George's Silver Jubilee but not used then because of lack of time. The central feature of this is the well known "lakatoi."

(Gibbons' Stamp Monthly)

**PHILIPPINES**—We are informed that a new set of commemorative stamps will be issued towards the end of this year in connection with the 33rd International Eucharistic Congress. The design of the stamps will show a chalice, flanked on either side by bunches of grapes and a sheaf of wheat. We understand that there are to be six denominations: 2, 6, 16, 20, 36 and 50 centavos.

(Whitfield, King & Co.)

**SPAIN**—Barcelona Exhibition stamps. Five stamps all of the same denomination, 5 centimos, have been issued in connection with the Barcelona Exhibition, the colors being: red, red-brown, deep blue, dark green and black. Each stamp is of a different design, inscribed with the date "30 Mayo—14 Junio, 1936."

## RE-HASH

Every now and then I am asked by a newcomer to print in LINNS certain fundamental or primary facts about bureau prints or precancels. Such items have been printed time and again in this as well as other magazines and would be news only to a few. I would rather answer the questions direct and try to get news that will interest a larger field of collectors. I realize tho that I am writing to an ever changing field of collectors and so I will prepare for the early winter months copy that covers some of the fundamental questions of precancel collecting.

## THE PRECANCEL STAMP SOCIETY CONVENTION AT HARTFORD, CONN., AUG. 14 to 17.

## TEN TO ONE

That's what bureau print collecting has done to us precancel collectors. Made us pay ten cents for a stamp where we used to only pay one. Just the other day this was brought to me more forcibly than ever before. I purchased five 1/2c and 1c buro prints and paid well over 40c for them, almost ten cents per stamp. A few years back a cent or two would have bought each stamp but with the

keen competition of collectors and the uncertainty of some of these issues one cannot afford not to gamble a dime in hopes that it will save him dollars later on.

## NOTES

The auction list of the Twin City Precancel House of Minneapolis came in mailed from Sauk Center with a 1c buro coil. . . . The Precancel Exchange of New York City mailed their Auction list from White Plains, N. Y., with a 1c ord. buro. Their auction will be held Aug. 18th. . . . McCalls Magazine of Dayton is using the Dayton 70s in large quantities. . . . H. F. Miller sends me some of the Randolph, N. Y., precancels in the ten subject metal handstamp type. The 1 1/2c F.F. and 2c ord. in U-121 were the items sent.

## Precancel Enthusiast

Parker W. Haydon of Berkeley, California, is a real precancel man and to show his interest in the hobby he plans driving from Berkeley to the Precancel Convention at Hartford. Mr. Haydon will go east by way of Denver, Kansas City, Omaha, Minneapolis and Chicago. On his return trip he will go by way of New York, Washington, Chapel Hill, N. C., Atlanta, New Orleans, Houston, Dallas.

Any collector on this route wishing to contact Mr. Haydon should get in touch with him at once, mailing letter General Delivery to some point on the route.

This quip came over the radio on Sunday night, July 12th, "If I was to wrap all your brains in a postage stamp I would have room for a ham sandwich."

There is a bank in New York City, The Modern Industrial Bank, who lends money on U. S. and foreign stamps as collateral. This institution is located at 116 Fifth Avenue.

Do you know that on account of the Olympic Games in Germany, that nearly four million Olympic Stamps and a half million specially stamped postcards had been disposed of up to the end of February and the summer Olympic games do not start until August.

A collector came into a stamp shop in the middle west and asked the proprietor if he had some unused Silver Jubilee sets of the British West Indies. He was shown the entire collection in complete sets which was spread on the counter. "This is not complete," said the collector. "I don't see the Hong Kong set here."

Charles Curie, one of the most outstanding philatelists of our time, died on July 16th at his home on 765 Park Avenue, New York City, at the age of 64 years. He was a former member of the Royal Philatelic Society of London, of which King Edward VIII, as Prince of Wales, was active president. He belonged to the American Philatelic Society. He was a lawyer and was an authority on custom house and maritime law. His stamp collection was considered one of the finest and largest in the United States and he received as a prize a bronze statuette of Mercury in 1934 and was called the "champion philatelist of the United States" at that time. His collection of stamps of the 19th century was classed as one of the finest in existence.

Robert Ripley illustrates in "Believe It or Not" a Bible owned by Mrs. H. Kern of Waukegan, Illinois, that is one-half the size of a postage stamp.

Fred Neher, in our estimation hits the bell in his comic we read in the "New York Sun." It shows "Bubbles" who is a convict and who is attired in the latest prison stripes, seated with his cellmate and he is showing him his stamp album. He remarks "That isn't a stamp . . . it's where I swatted a fly."

## NAVAL CANCELS AND CACHETS

(Continued from page 794)

Harbor, T. H., any date; Gamble,  
Pearl Harbor, any date; Richmond,  
Pearl Harbor, any date. (B-Some F)

Do you have a USS Eagle 46 cov-  
er? If so, it's worth considerable.  
This old timer was officially stricken  
from the naval list late last month.  
Also, the USS Barnett has been  
towed to the navy yard at Ports-  
mouth, and will be disposed of by  
sale, after which it, too, will be  
dropped. Farewell to a couple of fine  
old ships.

Responses to invitations of ANCS  
members who want to display covers  
at the autumn cover exhibit to be  
held by Constitution Crew No. 1, in  
Columbus, O., have been numerous  
and fine. Now, it is suggested that  
the society hold a convention in con-  
nection with this cover exhibit and do

it with all the trimmings. This is a  
fine idea and I imagine it will appeal  
to every member and a lot of non-  
members who can possibly walk, ride,  
thumb their way or otherwise get  
to Ohio's fair capital city at that  
time. If enough are interested this  
can be made into a gala event, and  
similar conventions can be held in dif-  
ferent cities each year. Comment on  
this and expressions of whether you  
can and will attend such a convention  
will be welcomed. Send me a postal  
card. Outline your ideas. We can  
have a banquet, auction and a swell  
exhibition with appropriate prizes,  
I'm sure.

As this goes to print I'll be homing  
from vacation land, back to the  
mines and the grind and glad of it.  
Also, I'll catch up on correspondence  
that may have accumulated and next  
week will have some events for you  
to shoot at seriously.
